

DOMINION  
QUICK-SHIP COLLECTION

Inspired by English landmarks, The Dominion Quick-Ship Collection is a tribute to the legacy of the countryside and honours the transcendent beauty of the age-old castles that accentuate it.

From Windsor Castle to Kensington Palace, Dominion celebrates the spirit of these English heritage sites with each design's unique character, giving the collection endless versatility in multiple colourways sure to meet your style.

For 25 years, Mosaïque Surface has infused classic materials with avant-garde style and Dominion continues that principle. Each pattern showcases the nobility of natural stone paired with gold glass and introduces new elements such as Breccia Capraia. Dominion seamlessly marries traditional aesthetics with modern edge and innovation into an accessible stocked collection; ideal for residential, commercial and hospitality applications.
